Powered by ASitransact.com

ASitransact.com is an order management system that **electronically transports orders, invoices and provides up-to-the-minute order status to your distributors.** Distributors can find answers to all their questions—order receipt, artwork proofs, shipping and tracking information and more—without picking up the phone! By signing this reservation form, you will be ASitransact-enabled to:

- Receive Purchase Orders electronically via Web or XML
- Provide electronic order status to a network of hundreds of distributors
- Reduce follow-up phone calls and faxing
- Integrate immediately if you are a ProfitPro User

Enroll me NOW for an annual fee of \$199 (transaction fees apply) Must also choose annual program (see below).

With the new E-ASI Billing program, you can send same-day electronic invoices. You'll spend less time and money stuffing and stamping invoices every month and increase receipt of payments by up to five days!

- Send same-day invoices electronically to distributors actively using E-ASI Billing
- Save time and money
- Reduce errors of re-keying of invoices into your accounting system

Enroll me NOW for an annual guaranteed fee of only \$199 and \$.30 per page of invoices. Must also choose annual program (see below).
